Introduction to Stable Management

Learn the stable management secrets used by race horse trainers and mounted police. This free seminar will introduce you to ways you can:

- Optimize your horse's health
- Minimize your work load
- Reduce costs
- Select natural/organic feed and supplements
- Explore natural/organic fly and pest control options
- Increase safety for you and your horse
- Effectively manage emergencies
- Protect your horse's soundness

Catherine Hunter, founder of Whole Horse Journeys, created Equine EnergeticsSM and developed and authored the Divine Riding SystemSM. She has more than 50 years experience working with horses; 38 years professional experience as an instructor, trainer, and rider; and has worked with Equine Energy Therapy for 16 years.

Catherine is a nationally rated riding instructor with experience as a trainer for the Atlanta Police Mounted Patrol; licensed race horse trainer; equine consultant and wrangler for feature films; host of the cable TV show "Horse Talk;" regional horse show judge; and staff courier and mounted security for the largest civil war re-enactments in history.
