Annual Christmas Tree Sale

It is time again for our Annual Fundraiser *selling the most beautiful Christmas trees in all of Orlando*. The sale is the only fundraiser we do, and its success determines our budget for the whole year. As you are aware, these 7' – 9' Fraser Fir Trees are **the best value on the market - just \$60 each**.

Be sure to order early, we only have a limited number of trees this year, so you won't want to miss out.

We are also offering an extremely limited number of 24" inch wreaths for just \$25 each. In order to ensure you have a tree and/or wreath reserved, please postmark your envelope no later than November 26th, 2011. (After November 26th, please bring your order form to the Downtown Y) We will reserve your **Christmas Trees and/or wreaths** for you.

If you would like additional order forms for family or friends please call Michael Kimble at 407-758-2466, or go to www.ymcatrees.com

Simply fill out the form below and write a check to the EOLA FEDERATION and send it to the following address:
