

Eligibility Criteria

To qualify for this service, individuals must demonstrate a clinical necessity for the service arising from a condition due to an acute crisis of a psychiatric nature that puts the individual at risk of psychiatric hospitalization. Individuals must meet at least two of the following criteria at the time of admission to the service:

1. Experiencing difficulty in maintaining normal interpersonal relationships to such a degree that they are at risk of hospitalization or homelessness or isolation from social supports.
2. Experiencing difficulty in activities of daily living (ADLs) such as maintaining personal hygiene, preparing food and maintaining adequate nutrition, or managing finances to such a degree that health or safety is jeopardized.
3. Exhibiting such inappropriate behavior that immediate interventions by mental health, social services, or the judicial system are necessary.
4. Exhibiting difficulty in cognitive ability (e.g., the individual is unable to recognize personal danger or recognize significantly inappropriate social behavior).

The Goals

The goals are to avert hospitalization or re-hospitalization; provide normative environments with a high assurance of safety and security for crisis intervention; stabilize individuals in psychiatric crisis; and mobilize the resources of the community support system, family members, and others for ongoing maintenance, rehabilitation, and recovery.

Crisis Intervention can be delivered for a maximum of 30 days.

Crisis Stabilization can be delivered for a maximum of 15 days.

Recipients will then receive a referral to one of the following services:

Purpose of The Alliant CRU™

We recognize the immediate nature of a crisis and value the welfare of all individuals involved.

Circumstances of life can sometimes bring overwhelming feelings that are extremely difficult to deal with, and help is needed quickly and consistently.

The Alliant CRU offers an immediate response to the negative experiences of emergency and crisis experience.

Crisis Intervention Services

Crisis intervention services are mental health care, available 24 hours a day, seven days per week, to provide assistance to individuals experiencing acute mental health dysfunction requiring immediate clinical attention. The objectives are:

- To prevent exacerbation of a condition;
- To prevent injury to the member or others; and
- To provide treatment in the least restrictive setting.

Crisis Stabilization Services

Crisis stabilization services are direct mental health care to non-hospitalized individuals (of all ages) experiencing an acute crisis of a psychiatric nature that may jeopardize their current community living situation.

Allow us to help you achieve your goals of safe and healthy citizens and communities!
