Training & Behavior Classes

Puppy Head Start
Basic Obedience
Intermediate Classes

Advanced Classes
Trick Classes
Agility for Fun

Rally & Fly Ball for Fun
Day Care with Training
Boarding with Training

We want you to have *the lifetime training skills* necessary for a happy & fulfilled life with your dog using knowledge of dog behavior & obedience training. During the first class you will be given a wealth of information, time for questions and answers to any concerns you have or goals you want to meet, and the beginning of obedience training. Most of the quality training your dog receives will be from you (and your family) in your home setting. We will help you set the foundation for you and your pet to become successful!

What do I need to know for the first class?

1. For your safety, owners need to wear comfortable clothing and sneaker-type shoes.
2. An appropriate training collar and leash will be needed at every class. (no retractable leashes)
3. Bring your dog's favorite treats and/or toy to every class.
4. Be on time for every class. It can be very distracting for others in the class, and the dogs can lose focus. We want you to get the most out of every class!
5. **DO NOT** feed your dog a meal before coming to class. They will be getting treats or dog food all throughout the class.
6. Do little or no extensive training on the day of class, so your pet will be more cooperative and enthusiastic to learn during class time.

New classes start approximately every 6 weeks

Family Involvement is encouraged with a designated trainer. Ask about children under 10.

Refunds are available up to seven days prior to the beginning of the first class.
Please discuss a missed class with the trainer.

Class is to teach YOU what to teach your dog at home.

Practicing at HOME will bring you success.

Being ON TIME to class is critical.

 **Pawsitively Lots of Fun**
